About Franklin County Humane Society

FCHS is a 501(c) 3 nonprofit organization comprised entirely of volunteers from Franklin County and throughout the state and country. It was formed in 2002 to help solve the problem of unwanted dogs and cats in this region. Its long-term goal is to build an animal shelter where area pets can find safe refuge until they can be adopted to permanent homes. Its immediate goals are to develop a strong foster program to remove adoptable animals from the Franklin County Animal Control facility and to decrease the number of unwanted dogs and cats in Franklin/North Wake counties through spay/neuter public education programs.
