Terms & Conditions

Once accepted, your place cannot be transferred to any other person. If you cannot attend the Colour Blast, you must inform Galloway's as soon as possible; you cannot give your place to any other person.

All participants take part at their own risk. In no event shall Galloway's Society for the Blind be liable for any injuries, loss or damages whatsoever including indirect, punitive, special, incidental or consequential losses connected with any aspect of the Colour Blast.

Your registration fee covers the cost of putting on this event. All sponsorship money raised by this event goes towards supporting the services that Galloway's provides for people living with sight loss in Lancashire & Sefton. You are not permitted to raise money for other charities from this event.

You are not permitted to use any of the sponsorship money that you raise in relation to the Colour Blast to pay for your expenses. If you do not pass all the money that you raise to Galloway's Society for the Blind, you may be committing a criminal offence.

Galloway's Society for the Blind reserves the right to cancel this event at any time if necessary due to unforeseen circumstances.

You will not be able to take part if you are under the influence of alcohol.

Please ensure that you wear appropriate clothing that you don't mind having powdered paint thrown at, and appropriate footwear as the ground may be uneven in places.

There will be professional photographers and some filming at this event. If you do not wish to have your photograph taken, or be seen on film you must identify yourself to the photographer/film team. The film and photographs of the event may be used in future Galloway's Society for the Blind publications, online and in the media, and to help publicise future events.

Participants are welcome to take part at a speed that is comfortable for them. This is not a racing event and no timings will be given.

Running numbers must be worn during the event.

The coloured powdered paint is non-toxic and bio degradable and will not affect the environment. The paint should not cause harm to participants however we recommend that if you have a respiratory, skin or medical condition that could be affected and are unsure that you consult your doctor.

We recommend that you wear a pair of glasses for this event. These may be purchased through Galloway's or be a pair of your choosing. This is to prevent colour powder entering your eyes during the event. If this happens, please wash your eyes with water provided.

Galloway's suggests that participants should wear old white clothing. Galloway's are not responsible for the staining of clothing. You may wish to bring a spare change of clothing to change into after the event.

Galloway's also suggest that your transport is protected from the paint powder. For example covering car seats in plastic or old sheets to avoid participant's car or public transport from becoming covered in powder paint..
